A CARD. HAVING secured the agency for the sale of FISK ME TALLIC BURIAL CASES in Middle Tennessee, we eem it necessary to inform the public of the many advatages possessed by this Case over any that have ever been offered to us for sale.

There are some who honestly think that the Air Exhaus

ted Coffin is superior to the Metallic Case we use; and others, from interested motives, are constantly endeavor orders, from interested inclives, are constantly endeavoring to build up a reputation for the same, by comparisons
wholly at variance with science and experience. As a
proof of our assertions, we give the opinion of J. R. Cunrox, M. B., one of the most celebrated Chemists of the age,
and a gentleman well known to every well informed physician of this and every country where civilization exist.—
He save. He says:

empt to exhaust the air from a receiver of the body of a Under such an experiment, the expansion of the air within the tissues, would cause more or less fracture, and produce an effect similar to a bruise.
